ODIN TEMPLE EXCAVATION QUEST, version pRO

Legend:

Green - NPCs

Dark Blue - note

Purple - answers

Bold Italics - coordinates

* - personal notes/snippets

Level Requirement: Base Level 60 and above

Items needed:

5 Rune of Darkness (dropped by: Frus and Skogul - Odin Shrine lv 2 & 3)

1. Check the **Recruitment Notice** in (*hugel 91, 154*).

*Board the Airship in Juno and take the Domestic Flight to go to Hugel.

2. Go to the house located at (*hugel 52, 90*) and look for either **Alex** (left room, *hu_in01 19, 160*) or **Laura** (right room, *hu_in01 14, 11*) and tell them about the recruitment notice.

*Doesn't matter which one you choose. Both NPCs will ask you to do the same thing anyway.

3. Alex or Laura path.

3A. Alex Path

3A.1 After talking to **Alex**, she will ask you to look around the shrine first before accepting the job

3A.2 Look for the **Boatman** NPC at **(hugel 209, 109)** and he will take you to the shrine for 800z.

***NOTE:** You don't really have to "look around" per se. As long as you set foot on the shrine, you can now go back to Alex and she will give you your next task.

3A.3 Go back to **Alex** and say yes if asked about helping with their expedition. She will then ask you to collect **5 Rune of**

Darkness.

NOTE: Rune of Darkness can be obtained from Skogul and Frus in Odin Shrine levels 2 and 3. Skogul and Frus are demon-race, shadow property monsters with more than 80k HP so get your buckler from hell and evil or undead armors ready.

*I didn't die from Frus and Skoguls.. but I died from that Valkyrie in the screenie... it was a surprised attack and I didn't get a chance to teleport right away!! >_< BTW, the area is teleport-enabled and you'll get a -1% exp when you die so be careful.

3A.4 Return to **Alex** and bring her back the **5 Rune of Darkness**. She will give you an **Old Blue Box** for completing the job.

3B. Laura Path

3B.1 After talking to Laura, she will ask you to visit the Odin Shrine.

3B.2 Look for the **Boatman** NPC at **(hugel 209, 109)** and he will take you to the shrine for 800z. ***NOTE:** You don't really have to "look around" per se. As long as you set foot on the shrine, you can now go back to Laura and she will give you your next task.

3B.3 Go back to **Laura** she will ask you to collect **5 Rune of Darkness**. ***See NOTE after 3A.3**

3B.4 Return to **Laura** after collecting **5 Rune of Darkness** and she will give you 1 **Old Blue Box** for completing the task.

4. After finishing either path, talk to **Laura** and she will ask you to spy on **Alex**. (And you have no other choice but to agree. Choose any of the 4 options presented to you. You'll still do the spying anyway.)

[Laura]
Basically, I want you
to spy on that snobby girl,
Alex of the Schwartzvalt
Republic office, and report
what she's actually doing to me.

NEXT

[Laura]
Anyway, just eavesdrop
on the Schwartzvalt Office
by putting your ear really
close to the door, and listen
to them talk. Will you do that?

NEXT

5. Spy on **Alex** by listening at the door (portal) of her office room. **Shinokas**, **Ymir's Heart** and **Giantes** will appear on **Alex** and Julian's conversation.

[Alex]
I understand why you wanted
to follow me here, but there's
no way to confirm its existence
in this area without digging
it up. Plus, I'm still worried
about the "Shinokas" issue...

NEXT

[Alex]
I know you better than
yourself, and I can do
everything better than you
can. Forget Ymir's Heart for
now. Giantes is our highest,
most important priority!

NEXT

6. Go back to **Laura** and report what you've found out. Choose either **Giantes** or **Ymir's Heart**. When the time you will speak about Ymir's Heart, **Ashe**, Laura's assistant will interrupt you. When asked what is Ymir's Heart, choose one of the 4 options presented to you (doesn't matter whether tell **Laura** that Ymir's heart is a candy, a book, a place or Ymir was a giant.). Afterwards, **Ashe** will say that Ymir's Heart is clothing brand popular amongst the trendy crowd in Juno. Afterwards, **Laura** will ask you to go to the inner shrine of the Odin Temple.

7. Go to **Odin Temple level 3** and look for one of the following hidden portals:

*Skeggiolds, Frus, Skeguls and the Valkyrie MVP roam in this area...

*You only need to visit ONE of them until it warps you to a hidden location.

8. The area here is some sort of an underground shrine. Walk down the path and you will find some ruins. Walk around until a dialogue box in blue text pops up. Choose **Explore** in the option menu. Walk around again until another pop up text will say "You catch a bright shimmer among the remnants of the shrine." Choose **Pick It Up** and you will be LoV'ed. After regaining consciousness, you'll find that there is nothing left in the shrine.

9. Walk back to the top and you will be warped back to odin_tem03.

10. Proceed to the **Odin Shrine Excavation HQ** and talk to either **Alex** or **Laura** only to find them arguing. **Ashe** will try to stop them but she got dismissed. **Ashe** will then give you the file Laura tossed away during her argument against Alex and she will ask you to deliver this file to her comrade in Morroc.

11. Proceed to the map south of Morroc (***moc_fild12 161, 365***) to talk to the hidden NPC. After giving him the file, ask about **Ashe or Laura**. You'll find out that **Ashe** is actually a member of the **Secret Wing** organization to fight Rekenber Corp.

[???

Good. You've done some good work. Just drop the file to the ground. And for your own good, don't turn around.

NEXT

[???

Secret Wing is a secret organization that's scattered now, but some of the members are still active. Just consider us enemies of Rekenber Corporation in the Schwartzvalt Republic.

NEXT

12. Go back to the Odin Shrine Excavation HQ only to find the place empty.
